ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed by November 3, 2004, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to timely respond to a Notice to File Missing Parts mailed November 12, 2003. The notice required the basic filing fee, additional claim fees and the requisite surcharge under 37 CFR 1.16(e). On October 28, 2004, a Notice of Abandonment was mailed. In response, on November 3, 2004, the present petition was filed, as well as the basic filing fee, additional claim fees and the requisite surcharge.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Although the statement contained in the petition varies from the language required by 37 CFR 1.137(b)(3), the statement will be construed as the statement required by 37 CFR 1.137(b)(3). Petitioner must notify the Office if this is **not** a correct interpretation of the statement contained in the instant petition.

The application is being referred to the Office of Initial Patent Examination (OIPE) for further processing.

Telephone inquires related to this decision should be directed to the undersigned at (703) 305-9220. Telephone inquiries related to OIPE processing should be directed to their hotline at (703) 308-1202.
